About the Author

Juliana Adams, BSN, MSN, MA is part of a unique number of nurses who have dedicated more than a half century to the care of patients ... and to the advancement of the nursing profession. She remains actively engaged in how nursing care is delivered.

She is an author, speaker and film maker.

Juliana divides her time between Englewood, Colorado and Steamboat Springs, Colorado. She and her husband, along with pets left by their two children who are pursuing their own admirable dreams, have chosen to work in their respective fields, for many years to come.
